Competitions for individual athletes

Running

The individual competitions are scored separately by sex.

The following age groups apply for the mozart 100 and the Scenic Ultra for runners, always for each sex: (male/female):

<i>Year of Birth</i>	<i>Groups</i>
2002-1978	AK I
1977-1968	AK II
1967 and earlier	AK III

The competitions Scenic Marathon, Scenic Light and City Trail are scored separately by sex only for runners and Nordic Walker. No age groups!

Nordic Walking

All competitions are scored separately by sex only. No age groups for Nordic Walkers.

Team Competitions

mozart 100 and Scenic Ultra are relay competitions. Each team is made up of up to four people who each has to run one leg of the course. The changeover between the team members is effected by exchanging the timing chip within the designated changeover zones at the changeover points.

With the City Trail a team consists of three participants. Their individual times are added to one team time.

There are three categories for runners and Nordic Walker (regardless of age classes): female, male and mixed (at least one woman).

Prizes

Medals will be awarded to the first to third ranks for the rankings mentioned above and a finisher present to all participants. For the mozart 100 (individual) the following prizes will be paid to the female and male winners (runner) of the day:

<i>Rank</i>	<i>Prize</i>

Pick-up of the starting pack

The starting packs of all participants can be picked up at the race office on Friday, 16 June 2017 from 09:00 a.m. to 8:00 p.m. and on Saturday, 17 June 2017 from 04:00 a.m.

Participants who are not able to collect their bib number and starter pack themselves may send somebody else. This person must bring the signed qualification specifications of the participant and a copy of his/her (valid) photo ID.

All participants must deposit signed qualification specifications in the race office. Otherwise the bib number cannot be handed out.

The qualification specifications can be downloaded from the website of the organiser.

Equipment and Accompaniment

- Only well-prepared participants will be able to cope with the challenges of mozart100®, that counts particularly for the mozart 100, the Scenic Ultra and the Scenic Marathon. The participants compete in the mozart 100® at their own risk and responsibility.
- Each participant is responsible for his/her own equipment.
- The start number has to be worn visibly at all time, even if a jacket is worn.
- At dawn and during the night hours participants must wear a white light on the front of the body (e.g. headlamp) and sportswear with reflecting material.
- Participants of the mozart 100, the Scenic Ultra and the Scenic Marathon have to carry along a whistle.
- Each participant is obliged to carry along a reusable cup (e.g. foldable plastic cup).
- In order to react to a weather change properly, we recommend to carry along warm clothing.
- The use of non-pertinent equipment (bicycles, cars, etc.) is strictly banned.
- Participants must not be accompanied by non-participants. Accompaniment on foot or on bicycle is forbidden.

- The use of sticks is allowed for all running competitions; for all Nordic Walking competitions the use of sticks is obligatory.
- Participants who do not follow the gear requirements can be disqualified.

Infrastructure

In the partner towns, designated parking space will be available. In the City of Salzburg it is recommendable to use the local parking system.

Race Briefing / Q&A Session

The race briefing takes place on the evening before the race. Participant's Questions and changes on short notice will be communicated during the race briefing. Participation is not mandatory but highly recommended.

Amendments to the regulations

The organiser reserves the right to make short-term amendments that will be announced in a timely fashion.

First-Aid Services

The organiser provides for sufficient first-aid points distributed across the entire course.

Routing

The competitions have to be run on the courses designated by the organiser. The course runs on streets, roads, paths and trails in one round from the City of Salzburg to Fuschlsee lake, St. Gilgen, Wolfgangsee lake and back. The City Trail runs one circle through the City of Salzburg.

The marking of the course will be done by the organisation team best possible. For the completion of the correct routing each participant is responsible for him/herself. Participants have to prepare themselves for the right routing as good as possible. It is not allowed to abbreviate the course.

The organiser reserves the right to make last-minute changes of the course and to exchange with alternative routes prior to the event or in case of adverse weather conditions

Eligibility for participation

All women and men born in 2002 or earlier are eligible for participation.

Environment

Each participant is obliged to carry along a reusable cup. At the supply points no plastic cups are provided. It is strictly forbidden to disturb the nature and wildlife intentionally or to throw away rubbish on the course, except at the refreshment points. Any littering by participants along the course shall result in disqualification from the competition.

Maximum number of participants

At present, there is no maximum number of participants for the individual competitions and, as a result, no waiting list.

Food and Beverages

The organiser provides for sufficient supply points distributed across the entire course. After the competition, participants will be offered food and beverages in the arrival area. Your personal food and beverages can only be handed over by your own attendants at the designated supply points. Handing over is not permitted at any other places along the track.

Doping

The anti-doping rules of the International Association of Athletics Federations (IAAF), the ÖLV, the World Anti-Doping Association (WADA) and the National Anti-Doping Agency (NADA) as well as the anti-doping provisions of the Austrian Federal Sports Promotion and its implementing regulations are fully applied. These rules are accessible on the relevant websites. Athletes taking part in the competitions are obliged to familiarise themselves with these rules as well as the procedures on checks, sanctions and appeals.

Indemnity and limitation of liability

In the case of *force majeure* or orders by public authorities or for safety reasons, the organiser is entitled or obliged to modify the implementation of the event or to cancel the event; in such a case, the organiser is not obliged to indemnify the participants. Entry fees received will not be refunded. The organiser as well as their legal representatives and agents are only liable in case of intentional or grossly negligent behaviour. The

organiser does not accept liability for the athletes' health risks related to their participation in the event. The organiser does not accept liability for objects received for safekeeping free of charge.

Competition Committee

The instructions of the competition management, organisation team, medical doctors and rescue services have to be complied with. Non-compliance will result in disqualification from the run.

The competition management and the organisation team can issue warnings in case participants violate the competition rules. Two warnings lead to immediate disqualification of the participant, to instant finishing of the race for the participant, resp. to the participant's removal from the results list. Disqualification may be effected on the course, at the finishing line or retroactively when the offence is detected.

The organiser may bar disqualified participants from registration in subsequent years. Participants who behave unfairly to other participants may be barred from starting.

Complaints and appeals against disqualification have to be submitted to the arbitration board of mozart 100® within 2 hours of the imposition of this sanction in written form. The decision of the arbitration board is final; there is no further right of appeal against this decision. The arbitration board is appointed by the organising committee of mozart 100® and works independently.

The organiser does not accept any liability for accidents, consequential damage or diseases. The participants are recommended to prepare thoroughly for the competition. The organiser has the right to suspend or dismiss unfit participants for health reasons or to bar them from starting. Participants who arrive after the end of the time limits will be dismissed, i.e. they have to return the the starting number.

Competition rules

The competition rules follow the model of the sports regulations of the Austrian Athletes Federation (ÖLV). These regulations are available on the website of ÖLV (www.oelv.at).

Cut off times

For the mozart 100 the following cut off times apply:

Fuschl KM 31	10:30 a.m. – 5,5 hours
St. Gilgen KM 63	5:00 p.m. – 12 hours
Fuschl KM 75,5	7:30 p.m. – 14,5 hours
Residenzplatz KM 105	1:00h/18.6. – 20 hours

Timing

In all competitions, times are registered exclusively by the timing system via RFID-tag. The RFID-tag is fixed on the backside of the starting number. There is no rental fee for the RFID-tag. Own timing equipment is not allowed. The RFID-tag has to be worn during the competition in line with the organiser's instructions.

Participants can only be ranked if they have met all time limits and have been timed at all check points.

Without RFID-Tag, times will not be registered. The timing systems can only read the organisers' RFID-tags. All other timing systems cannot be processed.

Each participant and each relay team shares responsibility for the registration of their section times and total time. The participants have to wear the chip required for timing during the competition in line with the instructions of the organiser. Starting numbers may be neither made smaller nor modified in any other way.
